

TPMGC BOARD MEETING

Date: 12/2/2025 Time: 8:00

Meeting called to order by:

- Phil LaPierre

Reading of minutes by: Allen Ward

- Minutes of previous meetings were sent by e-mail.
- Motion to approve by Carlos Monroy and 2nd by Mike Stauf
- Minutes approved.

President report Phil LaPierre

- I will be using the same agenda sheet for this meeting and the general meeting.
- At the last RR&F meeting, Bob Barbon was not invited to a follow up meeting between Bill Klemke and representative from 2nd Season group. In that meeting number of players per 9 holes was changed from the 64 players (agreed upon last season) to 72 which we strongly disagree with as it slows play down. (After the board meeting there was a discussion with Johanthan about change, and he stated this was only temporary while the course was still under repair.)
- Deb Olsen with SCGA can remove inactive players from our roster but we cannot. After the first of the year, we will get Deb to remove inactive players.
- Some talk about re-rating the golf course next summer.

Vice President report Carlos Monroy

- Berrie Smith is off to Canada and will return 1/2/26 so Carlos will be handling cert pay outs while he is gone. Remember certs from last season must be cashed in by 1/1/26.

Treasure report Barrie Smith Absent

- Carlos filling in for Barrie.
- See TPMGC draft budget dated November 1, 2025, through October 31, 2026.
- A suggestion to buy shirts for board members was discussed and tabled until next meeting.

Membership director Richard Wachal

- 141 potential members.
- 92 members have paid.
- 9 new members.
- GHIN fees for next year will be \$41.00

Tournament director Mike Stauf and Asst. Tournament director Mark Bennett

- Mark is working on a program other than golf genius that will full fill our club needs better.
- The program will work on windows 95 pc.
- Please check out Fairway Finder at (thetpmc.com) for the latest news articles.

Handicap director Mike Morriss

- With the discrepancies of the back 9 we are suggesting that you only post the front 9 score to GHIN.

Greens director Bob Barbon

- Attending RR&F meeting was Bob Heath, Bill Klemke of western golf and general manager Jonathan Benrud. After all the representatives of the club made their requests from each club, Bill talked about the flood and how it was too big a job for the greens crew to tackle, so they're going to bring in the crew that cleaned up the course and did the job on the lakes. Jonathan said that junior has a small crew and can only keep up with regular maintenance. The plan is to clean out the other side of the berm behind 9-12 and to put up berms along the floodplain path of 18-15-13 and 12. Bobby Heath stated that because of the berm on 12 there will be a little hill to go over. Owners have discussed contacting lawyers about the flood issue, but nothing has been decided yet.

Par-Three director Bob Grundy

- While the Century Course is closed, we will play the Millenium course from the gold tees.

Special events director Cleve Schwenke and Assistant Steve Saunders

- Cleve not present
- Report from Steve is that next event 12/18/25 will be Quota Point, see fairway finder for rules.
- \$10.00 entry fee.

Rules director Ray Castagner Absent

Guys and Dolls Marshall Pugh

- Adarian will be assisting in the score cards for the tournament.
- The entry fee will be \$25.00. The restaurant will be serving lunch at \$15.00 per person with the remaining \$10.00 going to prize monies and miscellaneous expenses.
- We will have payout on 2 flights.

New Business none
